1. Prepare for Your Study at Northeastern

1.1 Proof of Acceptance (POA)/ Provincial Attestation Letter (PAL)

Learn more about POA, PAL, and Deposit: [POA & Deposit Process – OGS Canada](#)

- The POA (Proof of Acceptance) is an enhanced offer letter required for international students' study permit applications to IRCC. A Provincial Attestation Letter (PAL) is also required for most applicants starting January 22, 2025.
- PALs issued in 2025 are valid until December 31, 2025. If you have been issued a PAL and you don't apply for study permit before December 31, 2025, your PAL will become invalid, and you will not be able to use it anymore.
- If your study permit application is refused, your PAL becomes invalid, and you will not be able to reuse it.
- For PAL related questions, reach out to an Admissions Counselor or Enrollment Counselor [here](#).

1.2 Study Permit Application & Tracking

1. Follow our guide: [Applying for a Study Permit – OGS Canada](#)
2. Submit online; keep email and phone number current with IRCC.
3. Study Permits are not issued outside Canada – once approved for a study permit, you will receive the required travel document (Visa or eTA) to allow you to come to Canada to receive the study permit on entry. [Difference between a study permit and a Visa?](#)
4. Immigration Officers or Canada Border Services Agents can request to see your proof of funds, your acceptance letter and other supporting documents on your arrival to Canada.
5. Ensure you let us know the outcome of your study permit application by completing the [OGS Canada Study Permit Application Status eform](#).

- Upload your refusal documents to OGS Canada via the [OGS Canada Study Permit Application Status Update](#) form.
- OGS Canada can assist you to request GCMS notes about your refusal on your behalf, free of charge.
- Once your refusal is verified, your PAL deposit will be refunded within 2–3 weeks. Deposits aren't transferable. If you defer, you will be reassessed for PAL eligibility and if selected for another PAL you will pay a new deposit.

1.5 Late Arrival & Deferral

- Late Arrival policies will be updated closer to January. Monitor the [Late Arrival and Deferral Policies](#) page for updates.
- Once your study permit is issued, you must study. You cannot remain in Canada without studying as this will impact your study permit validity and your PGWP eligibility.
