### D'Amore-McKim Graduate School of Business I-20 Request Instructions

#### What is an I-20?

An I-20 is a U.S. immigration document issued by Northeastern University to certify that an international student has met admission requirements for a full-time program of study and has provided proof of sufficient financial resources for his/her studies. An I-20 is required to apply for an F-1 student visa at a U.S. embassy or consulate. The following admitted and deposited students should request an I-20 from Northeastern University:

- **Initial** - New international students coming from outside the U.S. seeking visa sponsorship
- **Transfer** - Students currently in F-1 status studying at another school in the U.S.
- **Change of Program/Level** - Current Northeastern students in F-1 status moving to a new degree program at Northeastern University
- **Change of Status within the United States** - Students currently in the U.S. in a nonimmigrant status (e.g. H-4, F-2, etc.) who want to change to F-1 status\*

*\* If you are not planning to change to F-1 status, please note that not all immigration status categories allow for studying, internships, co-ops, international travel associated with an academic program and/or other experiential learning opportunities. Please note that some academic programs at Northeastern have experiential learning requirements (e.g., co-op or study abroad). Immigration statuses other than F/J may not allow for those and as such may impede the successful completion of your program of study.*

#### When can you request an I-20?

You can submit an I-20 Request only **after** you have been admitted, have accepted the offer, and have paid a tuition deposit. At that time, you will be able to submit an electronic I-20 Request through myOGS.

#### How can you prepare for, access and submit the online "I-20 Request"?

1. Gather the following required documents in a digital format (e.g. PDF or JPG):
  - Identity page of your passport (color copy)
  - Financial documents meeting your program's expenses  
([Estimated Expenses](#) and [Guidelines for Demonstrating Financial Support](#) are on the next page)
  - Students currently in F-1 status at another U.S. institution must also submit a [Transfer-in Verification Form](#).
  - Students currently in the U.S. in a nonimmigrant status other than F-1 who are applying to change to F-1 status must also submit documentation of their current visa status.
  - **Currency Conversion**  
If the financial documents you are submitting are not in U.S. Dollars, you will need to provide a currency conversion and upload it to the e-form. You can find a currency conversion calculator here:
