Graduate College of Social Sciences and Humanities I-20 Request Instructions

What is an I-20?

An I-20 is a U.S. immigration document issued by Northeastern University to certify that an international student has met admission requirements for a full-time program of study and has provided proof of sufficient financial resources for his/her studies. An I-20 is required to apply for an F-1 student visa at a U.S. embassy or consulate. The following admitted and deposited students should request an I-20 from Northeastern University:

- New international students coming from outside the U.S. seeking visa sponsorship
- Students currently in F-1 status studying at another school in the U.S.
- Current Northeastern students in F-1 status moving to a new degree program at Northeastern University
- Students currently in the U.S. in a nonimmigrant status (e.g. H-4, F-2, etc.) who want to change to F-1 status*

** If you are not planning to change to F-1 status, please note that not all immigration status categories allow for studying, internships, co-ops, international travel associated with an academic program and/or other experiential learning opportunities. Please note that some academic programs at Northeastern have experiential learning requirements (e.g., co-op or study abroad). Immigration statuses other than F/J may not allow for those and as such may impede the successful completion of your program of study.*

When can you request an I-20?

You can submit an I-20 Request only **after** you have been admitted, have accepted the offer, and have paid the enrollment fee. At that time, you will be able to submit an electronic I-20 Request through myOGS.

How can you prepare, access and submit the online “I-20 Request”?

1. Gather the following required documents in a digital format (e.g. PDF or JPG):
 - Identity page of your passport
 - Financial documents meeting your program’s expenses ([Estimated Expenses](#) and [Guidelines for Demonstrating Financial Support](#) are on the next page)
 - Students currently in F-1 status at another U.S. institution must also submit a [Transfer-in Verification Form](#).
 - Students currently in the U.S. in a nonimmigrant status other than F-1 who are applying to change to F-1 status must also submit documentation of their current visa status.
2. [Click here to access the Graduate College of Social Sciences and Humanities I-20 Request e-form](#). You will be prompted to enter your myNortheastern username and password to login.

The myOGS I-20 Request e-form is designed to respond to your individual situation and will guide you through the request process.
