

- If you **can access** your NU account via username and password:
[Data Form](#)
- If you **cannot access** your NU account via username and password:
[Data Form](#)

This e-form is only for international students who currently **DO NOT HOLD** either an F-1 or J-1 visa sponsored by Northeastern University while in the US.

Please note that some academic programs at Northeastern University have experiential learning requirements (e.g., co-op or study abroad). Immigration statuses other than F-1 may not allow for participation in such activities. If you are currently in another visa status and choose not to switch to an F-1 status, you may impact your ability to study full-time or engage in authorized employment, such as an internship or co-op.

To complete this e-form you will need to upload a clear, color image of your passport identity page in either JPG or PDF format. Depending on your visa type, you may also need to upload a color copy of your current visa sticker, your I-20, or your DS-2019, I-94, I-797, etc. in either JPG or PDF format only.
